ADULT SUNDAY SCHOOL CLASSES

Agape Small Group/ Adult Class is now beginning the book of Acts in the Bible. We are using N.T. Wright's Bible Study Guide to help with our discussions. We begin at 9:35 am to let our members have an extra five minutes to chat before the class begins. We are happy to have new members or visitors to check us out. We meet in Fellowship Hall which is beneath the sanctuary in the church basement. You are welcome to join us. Lucy Monzo

“Back to Basics”

Is God Real? How is God showing up in your life? How are you experiencing God in your life on a daily or even hourly basis?

Join us on Sunday mornings to understand what God, as the Trinity, is willing to invest in you because of His tremendous love and a desire for a relationship with you. Bring your Bible, so you know we are not just making this wonderful stuff up!

PRESCHOOL AND CHILD CARE CENTER

DO YOU HAVE ANY QUESTIONS?

The new Preschool & Child Care Center has been open for over 3 months now. We are still growing and organizing. Needed staff has been added and volunteers for helping are always needed and welcomed. The staff is very capable of carrying out our mission of serving children and their families. The focus of the PCCC Board of Directors has been to rebuild. We also want transparency. You may be wondering why this or that happens or even what is happening. The best way to find out is to ask someone who knows the answer or will find the answer. Maybe you have some suggestions. Licensing dictates many ways we have to do things. Our mission is the top priority, but there are rules to follow to function. That does not mean we cannot change and improve on other ways and means of doing things. Teachers-you are a fountain of information on handling our increased class sizes. Business people-you can suggest how to use our resources wisely. Retirees-you can rock babies, read to preschoolers, wash windows. Tech/shop-you help and show how to do basics and beyond. Clare United Methodists-all of the above plus more, united by prayer and praise. We continue to give thanks to you all, but most of all, we are thankful the Lord guides us, blesses us, and loves us. Jesus is still the reason.

A Note from Phyllis Shields:

To my friends at Clare United Methodist Church, thank you
For the many cards, calls & visits – You are each a blessing to
me and the reason I'm home and getting well.

Much love and God bless you all! Phyllis Shields
